Subject: At a road often blocked by border-crossing trains, residents sit and hope for a solution

Morning Report

LOCAL

At a road often blocked by border-crossing trains, residents sit and hope for a solution

A reprieve could be in sight for drivers repeatedly stuck in heavy traffic at a major intersection as freight trains crawl south from Canada...

TRAFFIC

In spite of what the law says, it's best to stay in your own lane in an intersection

Question: I have a question about the rule about changing lanes when going through an intersection. I see a lot of drivers change lanes when making a right or left turn going through an intersection...
